That old weatherman of ours stuck his neck out the window, raised a moistened finger to the wind, and after some calculation and head scratching made this prediction for today. It will be fair with northerly winds. The high for today will be from 70-77.

## 'Lyke' Magazine Features Females in Spring Issue

### Also Includes Lykeable Doll, Prof, Satires

Gail Jackson, "Lykeable Doll," is the feature attraction of Lyke, the campus magazine which is on sale today.

Miss Jackson, a freshman P.E. major, is a native of Florida who now lives in Los Altos. She is five feet six inches tall, has dark brown hair, blue eyes, and measures 35-25-37 — in the usual direction.

Miss Jackson, who finds San Jose State "a very friendly school," says she is partial to MEN—with the added qualities of being tall, nice-looking, fairly athletic, thoughtful, and in possession of a good sense of humor—"Lykeable" attractions.

She shares the spotlight in the Spring issue with the "Lykeable Prof." Dr. William Gould, feature articles, campus queens, and many, many girls.

"Former Dolls," "Campus Queens," "Lykeable Lovelies," and "Lasses With Glasses" all carry out the Spring theme of "GIRLS." Lyke's "Lykeable Prof." Dr. William Gould, professor of journalism, is on sick leave this semester after suffering a heart attack during last semester's finals.

Dr. Gould, who came to San Jose via several newspapers on the Coast, including the San Jose News, teaches "life, liberty, and journalism courses listed in the bulletin under such prosaic titles as newswriting, newspaper business practices, publicity writing, and advanced reporting," as Lyke tells it.

The 56-page magazine has pictured 54 SJS coeds — or nearly one per page. This includes "Campus Queens," "Lyke Lovelies," the "Working Girls," and does not include the pilfered pics!

Some 78 campus coeds will be selling the magazine around campus today in various strategic locations, including the library patio, home economics patio, the science building entrance, between the Police school and the entrance to the Men's gymnasium, the 4th street entrance to the Men's gym, and in front of the Women's Gym. Sale price is 25 cents.

ATTRACTIONS—Gail Jackson, "Lykeable Doll," and Dr. William Gould, "Lykeable Prof," are the featured attractions of the Spring issue of Lyke, the campus humor magazine, on sale today. Miss Jackson, a freshman, is from Los Altos and is majoring in Physical Education. Dr. Gould is an associate professor of journalism. Theme of the issue is "Girls."

## Council Debates AAU Judo Trip

An Athletic Advisory Board request for \$450 to send the judo team to the AAU National Judo Championships in Hawaii April 13-14, will be the top debate in the Student Council meeting this afternoon at 2:35 p.m. in the Student Union.

The Athletic Advisory Board aroused Council ire last week when the board did not let student members know that a meeting was going to be held to discuss the judo matter. The Council asserted that the board had used "poor business procedure which was an insult to both the Council and the Judo team."

The Council referred the matter back to the Athletic Board with the suggestion that the board give the case full consideration, "not just half." The Board met yesterday to discuss the appropriations request.

Also on the Council agenda will be a request for the approval of Pershing Rifles as a recognized campus organization. Council members were to have read the group's constitution during the week to see if it is in agreement with college policies.

## UP ROUNDUP

### Iran's Cabinet Resigns Today

TEHRAN, Iran — Iranian Foreign Minister Ali Gholi Ardalan told the United Press yesterday that the government will resign today. The move is believed to be a result of the slaying of three Americans.

"The government has not yet resigned," he said. "We are holding our final meeting tomorrow afternoon, after which we will tender our resignations to his Royal Highness, the Shah."

## STRIKE HURTS HAITI

PORT AU PRINCE, Haiti — An anti-government general strike immobilized life in Port au Prince for the second consecutive day today. There was no indication of an early break in the political tug-of-war.

At least 10 persons have been injured in incidents connected with the latest political crisis.

## MORATORIUM IN DOUBT

SACRAMENTO — A six-year moratorium on the death penalty still had a chance today for passage in the Legislature.

The Assembly Judiciary Committee after a four-hour debate last night refused to approve a bill calling for outright abolition of the death penalty in California.

## Student Court Drops Hearing Against APhiO

The Student Court reversed its stand yesterday and dropped advertising violation charges against Alpha Phi Omega, national service fraternity.

After a lengthy debate, behind closed doors, the Court called the APhiO affair a mis trial on the grounds that the fraternity had appeared before the Court on March 18 as it was ordered and the hearing could not be held on that day because the Court did not have a quorum, thereby constituting a mis trial.

In addition the Court held Bob Harriman, freshman, in contempt of court for failing to appear before the justices yesterday on poster violation charges.

The Court heard charges against Vivienne Andres, Pat Maloney, Bob Daggett and Gayle Hansen. All were found guilty of campaign poster violations and Miss Andres received additional punishment for failing to appear before the Court last week as she had been summoned.

Miss Andres was sentenced by the Court to work four hours in the Activities Office and to serve as a committee member on the Cancer Drive. Her obligations must be completed by May 6, to avoid further action.

Maloney, found guilty on one charge of displaying after the 6 p.m. deadline, March 15, was sentenced to three hours of work in the Activities Office.

Miss Hansen, female junior justice, was found guilty of displaying two posters after the 6 p.m. deadline, and was sentenced to three hours of work in the Activities Office. Baggett, male junior justice, was sentenced to three hours of work in the same office for displaying one poster after the 6 p.m. time allotment.

Junior Robert Levin questioned the Court on the validity of the 2.25 grade point amendment which went into effect Monday. He asserted that candidates seeking office this semester were being punished for last semester's grades which they could not change. He asked for a Sept. 1 grace period.

After a long deliberation, the Court ruled that it did not have the authority to change the 2.25 amendment. The Court's power is in the realm of interpretation only, according to Clarke.

## Group Honors Dean Dimmick

The National Assn. of Women Deans and Counselors recently honored Miss Helen Dimmick, retiring this year as associate dean of students.

Miss Dimmick, who joined the SJS faculty in 1924, was honored for her long career as dean of women and associate dean of students at the college, and for her many community interests. The citation reads:

"Helen Dimmick's colleagues depend upon her and respect her. She is staunch in her loyalties, far-sighted and forward-looking, adaptable but also courageous in firm insistence that lasting values shall not be sacrificed to expediency. Her retirement this June interrupts but will not close years of active service to the position of dean of women and to women's interests and needs in education."

## IF Council Meets; Plans Spring Sing

Discussion and evaluation of Greek Week and plans for the annual Spring Sing will be the main subjects slated to come before the Interfraternity Council at its meeting tonight, according to John Dunn, public relations chairman.

Spring Sing, scheduled for Wednesday, May 22, will be held in the Morris Daley Auditorium this year, chairman Bill Bjorge announced.

## Burton Seeks State's Okay On New Building

### Philosophers Contribute To Series Talks

Three SJS professors will discuss "One Hundred Years of Philosophy in California" as the Philosophy Department's contribution to the Centennial lecture series, Thursday at 8 p.m. in the Concert Hall of the Music Building.

Elmo A. Robinson, chairman of the Philosophy Department, will be the principal speaker. Assisting him will be two assistant professors of philosophy, Dr. Marilyn Meyer and Dr. Sidney Zink. The Panel will review the history of teaching philosophy in California colleges and universities.

Dr. Elmer H. Stafflebach, professor of education, will serve as moderator of the symposium. The Centennial lecture series is open to the public.

Professor Robinson has been a member of the college faculty since 1928. He is a graduate of Massachusetts Institute of Technology and St. Lawrence University. In addition, he has done graduate work at Stanford, the University of Oregon, the University of California, Chicago University, Harvard University and Ohio State University. In 1944 professor Robinson was a technical editor for General Electric.

Dr. Meyer joined the SJS faculty last September after teaching at Florida State University and Wells College. She was graduated with a Ph.D. degree from Columbia University.

Dr. Zink joined the faculty in 1955. He received his B.A. degree from American University, his M.A. from the University of Wisconsin and a Ph.D. degree from the University of Cincinnati. He taught at Columbia University, the University of Chicago and the University of Missouri before coming to San Jose State.

The SJS Philosophy Department offers courses in basic Philosophy, Logic, Semantics, Oriental Philosophy, American Philosophy, Aesthetics, Ethics, Democracy, Philosophy of Religion, Philosophical Forum, Philosophy of Science, Modern Logic, Freedom and Life's Ideals and directed reading.

## Speaker To Give Oriental Lecture

Dr. Bhaskara Rao, former instructor of Oriental Studies, State University of Iowa, speaks tomorrow at 3:30 p.m. in the Little Theatre of the Main Building. All students are invited to his talk, "Contemporary Student Life in India."

Dr. Jay R. McCullough, assistant professor of philosophy, will introduce Dr. Rao, who is sponsored by a group of students interested in World University Service.

The speaker has traveled widely in India and is keenly aware of the needs of Indian students. He studied political science and English literature at the University of Mysore and the University of Nagpur in India.

While at the State University of Iowa, Dr. Rao was chairman of the World Relatedness Commission of the YMCA and chairman of the International Affairs Committee of the Student Council.

## Assn. Leader Tells Problem Of Expansion

"San Jose State College expansion across 4th Street to the West would seriously curtail traffic flow in the city."

This is what George Peacock, Merchants Assn. Secretary, stated yesterday to Dr. Vernon A. Queltette's Senior Business Lecture class in his comments concerning the Forward San Jose group's proposal for expansion West across 4th Street and South across San Carlos Street.

"If San Jose State were to extend across 4th Street," Peacock said, "it would seriously hamper traffic conditions. As it is now, 4th Street enables traffic coming off the Alameda to continue directly on to the freeway to the North."

"Seventh Street formerly was a natural thoroughfare for north-south traffic, but this was terminated when the college expanded over to Ninth Street."

Peacock also added that land West of 4th Street is extremely high—too high for educational purposes. This places the college in a high tax bracket.

Peacock affirmed that expansion of State both East and South is generally accepted.

Peacock asserted that "the rising cost of labor and overhead and the rugged competition in Santa Clara Valley for the customer's dollar will pinch businesses in the county, forcing a higher degree of efficiency from future employees (present SJS students) and will result in hot competition for the customer's dollar."

Burton stressed that the proposed building will not have such "extras" such as ballroom, post office, treatery, billiard room, hobby room or television room. But instead will consist largely of basic facilities, such as student offices, committee rooms and a single lounge.

PULL IT IN MISTER—Col. Carl Schmidt, professor of military science and tactics at the University of California, strides past a line of SJS ROTC cadets during yesterday's general inspection here. Col. Schmidt and three other officers scrutinized the campus ROTC program, inspecting everything from instruction quality to condition of personal weapons into account.

## Group Meets

All committees will submit their material for the Rally Convention at tomorrow's meeting of the Rally Committee at 3:30 p.m. in the Student Union. Vice president Ted Terzakakis urged all members to attend.

Jeri Bullock, head song girl, will be on hand to answer any questions of candidates for song girl positions. Song girl elections are planned for May.

## Presbyterian Talk

A discussion entitled "Who Am I?" led by the Rev. Don Emmel will highlight the Presbyterian Student fellowship meeting tonight at the Presbyterian Student Center.

## Interfrat Officers Take Confab Trip

Executive officers of the Interfraternity Council leave tomorrow morning for a three-day convention of 12 councils at the University of Oregon in Eugene.

Making the trip will be Mark Niemela, president; Joe Clark, vice-president; Bob Rush, secretary; Al Corral, treasurer and Dean Robert Martin, IFC adviser.

Members of the 12 assembled councils will meet together and discuss mutual problems, such as Greek weeks, rushing, pledging, house management, administration and legislation.

## Deadline Brings Applicant Turnout

Sixty-two students passed yesterday's application deadline hurdle in the ASB, Class and Court election races, according to Gary Clarke, Student Court Chief Justice. Barring scholastic disqualifications, class attendance obstacles and similar pitfalls, Spartans will elect 26 of the hopeful in the April 30-May 1 balloting.

Late applications virtually filled in vacancies in seven student offices which had not been applied for as late as 5 p.m. Monday. More than 20 students signed for candidacy a few hours before the deadline, according to Clarke.

ASB candidates are Don Ryan and Dick Sandretto, president; Cal Callaway, Ted Terzakakis and Al Walburg, vice president; Liz Bell and Joan Oeser, recording secretary; Kay Collins, Marjorie Jackson, Masako Kawauchi, Joan Malloy and Jeanne McHenry, corresponding secretary; Bruce Bush, Chuck Miller and Grant Salzman, treasurer; Ginger Buss and Alice Kunz, female representative at large; Bob Hofsfeldt, Bill Sturgeon and David Towle, male representative at large.

Court candidates are Claire Gill and Suzanne Slater, female senior justice; Herb Effron, Ron Ortland and Welvin Stroud, male senior justice; Dee Williams, Chris Richards and Barbara C. Johnson, female junior justice.

male junior justice.

Class officer candidates include Carol Perkins and Jerry Siebes, senior president; Alicia Cardona, senior vice president; June Bibb, senior treasurer; Vivienne Andres, senior secretary; Betty Roberts, Ed Kindred and Penne McClenahan, senior representative; Bill Douglas, junior president; New Griffin, junior vice-president; Jerry Reith and Eleanor Gabler, junior secretary; Lavonne Gomes, junior treasurer; Bev Crawford, Marshall Gibson, Lee Sorg and Mike Donovan, junior representative.

Sophomore candidates are Jerry Snyder, president; Ron Robinson, vice president; Donna Dean, Carol Young and Dave Rowe, secretary; Nina Carson and Sandy Creech, and Donna Lenz, treasurer; and Earline Graff, Pat Maloney, Robert McClenahan, Mike Mras and Mary Lu Odegard, representative. A candidates meeting will be held tomorrow at 3:30 p.m. in the Student Union to acquaint students with election procedures, according to Clarke.

Petitions will be distributed on April 8 and returned on April 10 by 3:30 p.m. After Easter vacation election rallies will be held on the afternoon of April 23 and the evening of April 24. Posters go on display April 22.

### Top Entertainment Comes to SJS

High quality entertainment is being brought to San Jose State College through the auspices of a student-faculty group, the newly created Concerts and Professional Artists Committee. The Gateway Singers, versatile quartet of recent San Francisco plaudits, appeared last night in the first of a series of entertainment programs to appear here.

Students have clamored for some time to bring big name entertainment to SJS. Now we have a chance to have it.

Six students and four faculty members compose the Concerts and Professional Artists Committee. The committee recently was established by the Student Council and was appropriated \$1000 to aid financing of the program.

In order to bring top flight entertainment to the campus the committee must be able to meet the cost of hiring professional acts. Admission prices aimed at meeting costs rather than to gain profits will be set for each performance. Prices will vary with the predicted student attendance and hiring costs of each program. The admission price will be extremely low in comparison to prices paid at profit seeking nightspots, concert halls and other places of entertainment.

Success and eventual continuance of this program rests with the students and faculty. Apathy over the series planned this semester will be construed to mean the program is not of sufficient interest and should be discontinued.

In theory, the program has nothing but merits. Extra-curricular events aimed at entertainment will supplement rather than replace educational and informative lectures such as our Centennial lectures of the past year.

No long range planning of entertainment can be engendered unless some amount of student and faculty enthusiasm is evident in the entertainment series for this semester.

### Dancers, Chopsticks and Rice Paper Star in Junior Class 'Sokuri Odori'

By MARY ANN BILLECI

Oriental dancers sculptured in gold, rice paper bids wrapped around chopsticks, and the aura of Japan were the stars of "Sokuri Odori," or Blossomtime Dance sponsored by the Junior Class Friday night.

Dancers swayed to the music of Jerry Gray's "band of today," and stopted to listen quite often too. One could close his eyes and im-

agine it was the late Glenn Miller's orchestra playing. The music was smooth and sweet and the most danceable heard around here for quite some time.

The soft lights and plush seats of the lounge and the kidney shaped pool and garden chairs of the patio made the intermissions just as enjoyable as the dancing.

It was a congenial group that gathered for the prom. And one particularly congenial gentleman gave another gentleman a gentle push into the swimming pool in answer to the second gentleman's request to go swimming amid the changing lights of the pool.

Musical prowess carried to the ultimate was displayed as the orchestra strutted its ability during a fifteen minute interlude. There was sax solos, sweet and mellow, trumpet solos, loud and blaring, and a pounding and pulse-beating drum solo.

Jerry Gray's compositions were all danced to pleasurably, particularly the ever-popular, "A String of Pearls." Dancers joined with the band in singing the refrain to "Pennsylvania 6-5000."

And then I a.m. came and the band bid all a goodnight. Dancers slowly left the ballroom and the Pacifica Room of the Villa Hotel to begin the trek along El Camino and Bayshore back to San Jose.

## Thrust and Parry

### A Beautiful Aristocracy

Dear Thrust and Parry:

Last week our Student Court ruled that the recently passed ASB amendment raising the grade point average for student body and class officers to 2.25 was not ex post facto. We believe it is. However, we shall adhere to the Court's judgement. But, members of the Court and Council, do you realize that you have discarded a democratic system of government to create a beautiful aristocracy?

The state of California and the College administration say that a 2.0 is sufficient for a B.A. degree, but members, this wasn't good enough for you. Our government must be run by those of the upper scholastic circles.

We're ashamed to say that we each have a 2.24 and can't run for office.

## Reporter Seeks Spring's Occult Mysteries; Interviews Robin

By BILL HOWARTH

Having nothing else to do, and it being a damp, drizzly November in my soul, (even though the month was March) this reporter recently set out to obtain an exclusive interview.

I set out on a bench down at the city park. I read my Five Minutes to Spring issue of the paper, and awaited the coming of the subject of my interview. The sky, for a change, was blue. Birds were whistling, (they don't sing, you know).

Spring was busting out all over.

And that, cleverly, brings me to the subject of my interview: I was going to get a story from The Harbinger of Spring, whose name, oddly enough, is Robin R. Bringer, Jr. (not roiginal).

I sat on the park bench because I knew he would eventually come along. He's a fearful publicity hound. About this time of year one sees references made to him all over the papers.

What I wanted to do was to interview him, exclusively. So much that is shop worn is being said about Spring these days. I wanted to say something fresh about it—fresh, like Spring itself.

I would interview him, and probe into his innermost for "deep down things."

Just as I was reading the weatherman's rain prediction in my paper, along came Mr. Bringer.

"You're the reporter who wanted to interview me?", he said.

"Yes, sit down, Sir."

He did, and then lighted a Salem cigarette. "It's Spring time," he said.

"How are you feeling, Sir?"

"A little under the weather, I'm afraid."

"How's that?"

"Spring fever." I get it about this time every year.

"Have you been taking anything for it?"

"Oh yes, I've been taking a Spring tonic—Serutan."

"Sir, I'd like to ask you some rather intimate questions concerning March. How did it come in this year?"

"Needless to say, my boy, it came in like a lamb, and will go out like a lion."

"I see." I looked at the blue sky. "It better hurry, today is the thirty first."

# Sprinters Take Spot Saturday

By RANDIE E. POE

Ex-Florida sprint king Bumper Watson and former Stanford star Keith Brownsberger hope to hand the Spartans' Rapid Ray Norton his first loss of this year in a triangular affair at Spartan Field Saturday. The sprints probably will highlight the locals' meet with the San Francisco Olympic Club and the Santa Clara Youth Center. Field events get underway at 1:30 p.m., with the mile slated to open the running events at 2 p.m.

Watson, the Olympic Club's touse-haired veteran, is an extremely rapid starter. Two seasons ago he was clocked in :9.5. Brownsberger will be just as lethal if he is in top condition.

**A FOURTH MEETING?**—Nick Akana, named Monday as the outstanding boxer on the SJS team, is shown above about to deliver a left uppercut to the chin of defending national champion Dick Hall of Washington State. The pair have met three times. Each has one win, the other being a draw. Chances are good that the two 132 pounders will meet again at the NCAA championships to be held in Pocatello, Idaho, this weekend.

## 'Mural Teams Win By Wide Margins

Three intrafraternity teams defeated their opponents by over 30 points last night in regular league action in the Spartan Gym. Tom Voight led all scores with 27 as his Kappa Tau teammates swamped Lambda Chi Alpha 58-25.

Brothers of Theta Xi also pounded out 58 counters as they easily dominated Kappa Alpha, who managed to rack up 27 points. Fred Kemper led the Theta scoring with 16 markers.

Alpha Tau Omega hit the evening's high with a 66-43 victory over Phi Sigma Kappa. Bob Christo led the winners with 18 points.

Another one-sided contest was turned in by Delta Upsilon and Sigma Nu as the DUs buried their foes by a 34 point margin, 61-27. Jim Smith led the parade with 20 points.

In the evening's closest event, Sigma Chi outlasted Delta Sigma Phi and finished nine points ahead 38-29. Bud Clark tallied 14 for the SXs.

## Frosh Batters Face SJJC

Coach Bill Gustafson's freshman baseballers will take on San Jose Junior College at 3:00 o'clock this afternoon, seeking their sixth win of the season. Ace hurler Larry Williams (3-2) will get the starting assignment from Gustafson.

Saturday, the Frosh nine will meet the Stanford Frosh at the Sunken Diamond at Palo Alto.

## Clunie Leads SJS Net Win

Kent Clunie continued his winning ways yesterday as he downed Santa Clara University's ace tennis man, Terry McQueeney, 6-0, 6-1, leading the Spartans to a 5-1 rout over the Broncos on the Spartan Courts.

Although the wind was bothersome at times, the San Jose State racquetmen defeated the visitors, losing few games, except for Hal Smith's loss to SCU's Paul Newman 6-3, 6-3.

In the featured doubles match, Marty Halfhill and Rod Barrette were forced to go 18 games to win the first set, 10-8, but came back to take a hands down 6-2 set. In the second doubles event, Sam Waggoner and Smith put away Broncos Bob Clarkin and Al Clarkin 6-4, 6-0.

Waggoner previously had topped Clarkin in singles action 6-0, 6-3 and Barrette easily took the singles win from Clarkson 6-2, 6-1.

## Golfers Bounce Weak Cal Bears

The San Jose State golf team clubbed weak Cal, 25 1/2-11 1/2, at the San Jose Country Club yesterday.

A bothersome wind whipped the par 70 course and made the greens extremely fast.

Ross Carley led the way with a 70. He whipped the Bears' Jim Langley, who fired a 75. Carley pounded out two birdies, on the first and 13th holes, and scored an eagle on the 17th.

Carley's second wood shot on the 17th rolled up within a few feet of the pin and the Spartan swinger easily canned his first putt.

**CUMMINGS, CLARK WIN**  
Jack Cummings and Jim Clark fired 72s to win their matches. Cummings topped Tom Edwards, who had an 82, and Clark outshot Dick Derry, who posted a 79.

Three birdies, on the second, eighth and 14 holes, spiced Cummings' round. Clark had a birdie on the ninth and 17th.

Eddie Duino Jr. recorded a 76 to whip Pete Shea, who registered and 80.

**GEORGE DROPS POINTS**  
Ernie George, fourth man on the Spartan totem, was the only local linkster to lose points. Cal's Burt White banged out a 75, while George recorded a 76.

Dave Cranston weighed in with a 76 to decisively whip the Bears' Mel Vail, who shot an 80.

**See what happens... Switch to Shell!**

**Before TCP...** The car above was bought brand new and driven about 3000 miles on a competitive premium gasoline. Then its rate of acceleration was checked by radar. The pick-up was poor because of engine deposits, which caused the spark plugs to "miss."

**After TCP...** The same car now performs after it has been run on a few tankfuls of Shell Premium with TCP, which overcomes engine deposits. Radar checks on this and other cars showed in most cases a 6 to 18% increase in pick-up after TCP additive had overcome pre-firing and spark plug "miss."

Today's high-powered, high-compression engines are really rarin' to go, but they're especially sensitive to engine deposits.

Within about 3500 miles these deposits can short-circuit your spark plugs—causing them to "miss." The result: power loss. Your almost new engine has lost its fine edge.

The picture above of a radar-clock acceleration test shows how TCP additive restores this lost power, delivering up to 18% faster acceleration—"pick-up" that even

the most careful driver sometimes needs for safety.

Try Shell Premium with TCP and re-power your car while you drive. See your Shell Dealer.

## Group Selects Moonlight Girl

Carol Crisler, Kappa Kappa Gamma, was crowned Phi Sigma Kappa Moonlight Girl Saturday by the 1956 queen, Dorothy Fairburn. The annual Moonlight Girl Dinner-Dance was held at the Villa Hotel in San Mateo.

Dr. Edward P. Shaw, associate professor of home economics and

CAROL CRISLER  
... Moonlight Girl

adviser for the fraternity, announced Miss Crisler the winner. She was serenaded by the brothers and presented with the traditional bouquet of red carnations. Jack Buehler, chapter president, presented the flowers.

The queen's attendants were Sylvia Somers, Kappa Alpha Theta, and Beverly Nally, Gamma Phi Beta.

Carol is a sophomore journalism major from Santa Monica.
